Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Clairton's Community Center Development Project. The project recipient address is 551 Ravensburg Boulevard, Clairton, PA 15025. This project will allow the Clairton to transform an existing public building into its community center. Funding will be used for utility work, ADA accessibility improvements, creation of multi purpose space as well as a kitchen, cleaning, furnishing, and green space development. This is a great use of taxpayer dollars as it will take an underused building and transform it into a community center for all. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely

Mike Doyle
Member of Congress
